ANNUAL EXTERNAL REVIEW Compilation Report

To the Board of Directors
ATLANTIC FLORIDA INC.
25

I have reviewed the accompanying balance sheet of ATLANTIC FLORIDA INC. as of December 31, 2010, and the related statements of income, retained earnings, and cash flows for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of ATLANTIC FLORIDA INC.

A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.
